SOURCE: RUPRI Center for Rural Health Policy Analysis, based on Centers for Medicare and Medicaid Services (CMS) data, as of June 2009. Note: HMO = health maintenance organization; MA = Medicare Advantage; PFFS = private fee for service; POS = point of service; PPO = preferred provider organization

(1) Excludes enrollment in any county and plan if the plan enrolls 10 or fewer enrollees in that county (due to restrictions on data release by CMS), and enrollees in Alaska and US territories (due to data incompatibilities).

(2) Some states not shown because either they have no rural areas or because the CMS data show no enrollees in rural areas (DC, NJ).

(3) Includes demonstration plans, MSA plans, and other types of CCP plans.

(4) Includes Cost and PACE plans.
