SOURCE: RUPRI Center for Rural Health Policy Analysis, based on Centers for Medicare and Medicaid Services (CMS) data, as of March 2023

Note: HMO = health maintenance organization; MA = Medicare Advantage; PFFS = private fee for service; POS = point of service; PPO = preferred provider organization

1. Excludes enrollees in US territories (due to data incompatibilities).
2. CMS censors enrollment counts in any county and plan if the plan enrolls 10 or fewer enrollees in that county. 'Total Enrolled...', 'Total Eligible', and 'MA and Prepaid plans' figures come from a different data source and are not subject to that censoring.
3. Includes demonstration plans, MSA plans, and other types of CCP plans.
4. Includes Cost and PACE plans.
