SOURCE: RUPRI Center for Rural Health Policy Analysis, based on Centers for Medicare and Medicaid Services (CMS) data, as of March 2024

Note: HMO = health maintenance organization; MA = Medicare Advantage; PFFS = private fee for service; POS = point of service; PPO = preferred provider organization

1. Excludes enrollees in US territories (due to data incompatibilities).
2. CMS censors enrollment counts in any county and plan if the plan enrolls 10 or fewer enrollees in that county. 'MA and Prepaid plans', 'MA Plans', 'Total Enrolled in MA and Prepaid plans' come from a different data source and are not subject to that censoring.
3. Includes demonstration plans, MSA plans, and other types of CCP plans.
4. Unattributed refers to beneficiaries that were subject to the county-level censoring described above.
