*Excludes enrollment in any county and plan if the plan enrolls 10 or fewer enrollees in that county (due to restrictions on data release by CMS).

**Metropolitan counties are those that contain a metropolitan area. Micropolitan counties contain an urban core of at least 10,000 (but less than 50,000) population. Rural counties contain no places with a population greater than 10,000.

***State totals do not include persons with pending county designations.
