*Excludes enrollment in any county/plan if the plan enrolls 10 or fewer enrollees in that county (restrictions on data released by CMS).

**Metropolitan counties are those that contain an urban area of 50,000 or more people. Rural counties contain no places with a population greater than 50,000.

***State totals do not include persons with pending county designations.

Source of Data: Centers for Medicare and Medicaid Services (CMS) data, as of March 2024.
